DETAILED ACTION

1. Claims 1-10, 12, 13, 16-19, 23-26, 28-31, 35-38 and 42 have been amended. Claim 43 has been added. Claims 1-43 are pending.

Election/Restrictions

2. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-19 and 31-37 drawn to a method for identifying a binding member capable of occupying a substrate binding site on the CCT complex or part thereof and methods of screening for mimetics to the aforesaid binding members.

Group II, claim(s) 20-30 , 38, 39, drawn to CCT apical domains, CCT binding members, and medicaments comprising CCT binding members.

Group III, claim(s) 40-43, drawn to nucleic acids encoding CCT apical domains, vectors and host cells thereof.

3. The inventions listed as Groups I, II and III do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: The claims are anticipated in the prior art by WO 98/24909 and WO 93/25681, as per the international search report. Accordingly, the invention is lacking a special technical feature over the prior art, and restriction for examination purposes is proper.

Art Unit: 1642

4. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

5. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
